

TCF Dawood Hercules Campus

The foundation stone of the school was laid in May 2006, and the civil work started in July 2006. The school in village Noorpur Virkan, district Sheikhpurais is being set-up with the collaboration of The Citizen Foundation (TCF), a well renowned not for profit organization. TCF has vast experience in the field of education and at present running more than 100 schools.

The construction work of the two acre school is in full swing and is expected to be completed by May 2007. The furniture, staff hiring and admissions would then follow. The school will be operational from the 1st September, 2007.

DH Plantation Drive

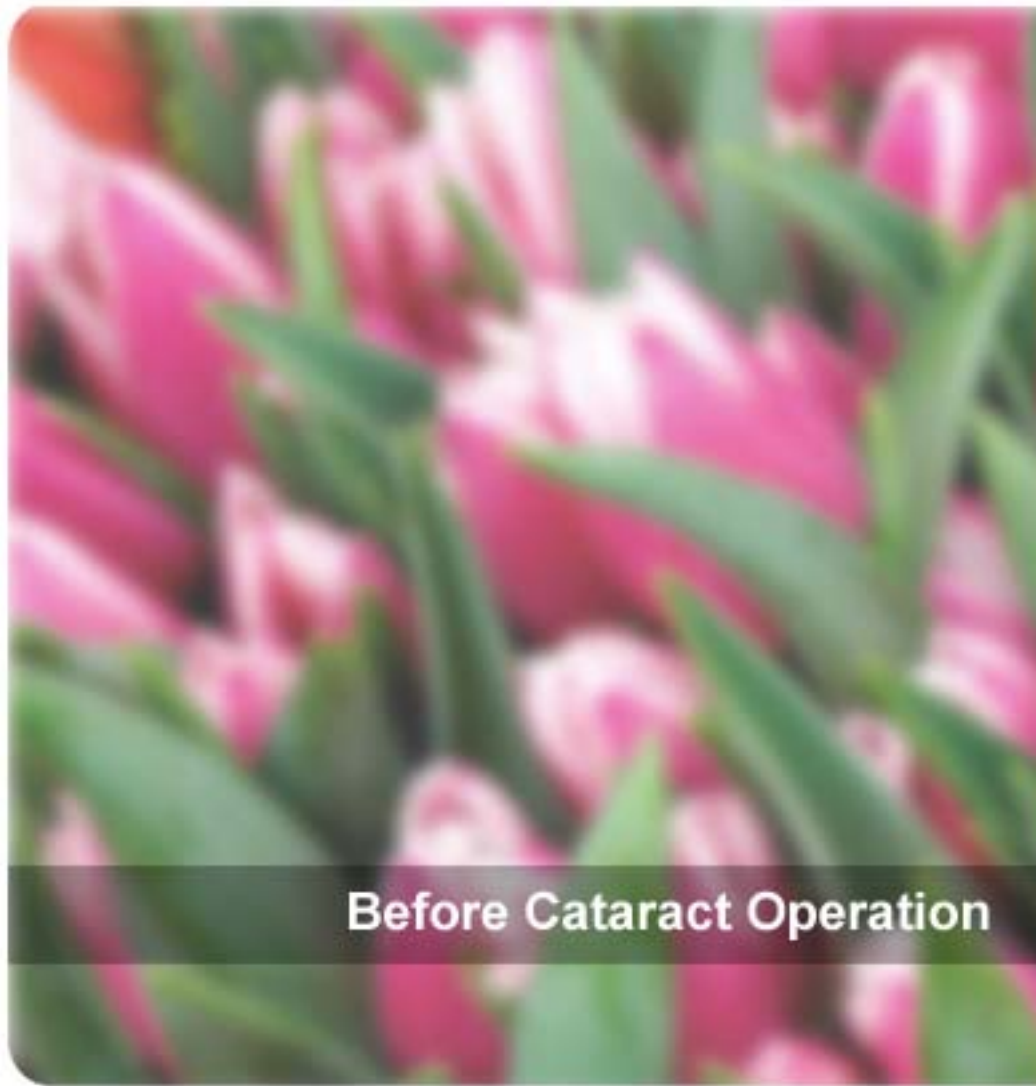

The plantation drive kicked off on 15th September, 2006. The total area marked for plantation is 53 acres. The plantation had to be stopped in January 2007 due to the harsh weather and later was resumed in March 2007. About 18,000 trees have been planted so far in an area of 23 acres.

Donation to Roshni School

Roshni Association, a society for the welfare of the special persons requested DH to fulfill the urgent need of hot water facility for the winter season in their school for the special children. DH decided to meet their need by donating geezers. Further more, the order for Suzuki Van, to cater the need for the pick & drop service of special people is in process and will be delivered in April 2007.

Bed Sheets for the Earthquake Hit Areas

DH is arranging about 49,500 bed sheets for the hospitals in Northern Pakistan which were affected by the 2005 earthquake. The cloth used for these bed sheets is provided by Dawood Lawrencepur Limited. 3000 bed sheets have already been delivered by our Islamabad office while remaining sheets are ready to be dispatched.
